

# 2 Minute Paper Bag Speech

## **THE BAG – Outside:**

1. Find a paper bag. It can be a grocery bag, shopping bag, or even a lunch bag. It can have handles or not. Any lettering that is pre-printed on the bag **MUST** be covered by your work.
2. The four areas outside the bag are:
  - Side 1 = like/dislikes collage
  - Side 2 = words that describe you
  - Side 3 = things you value in life
  - Side 4 = someone you admire or your hero (This should be an essay describing the person and why this person is someone you admire.)

## **THE BAG – Inside:**

Inside the bag place 3 objects that symbolize your personal goals. One object must represent a goal you have for this school year. The other two objects should symbolize goals, hopes, or dreams you have in life. Each object must have a tag attached to it explaining how it represents your goal.

## **THE SPEECH:**

1. Introduce yourself.
  - Name
  - How many siblings (brothers and sisters)
  - Places you've lived or where you were born
2. Share one side from the outside of your bag.
3. Share the inside of your bag by pulling the first object out of the bag and telling what it is and how it represents your goal. Do the same for the 2<sup>nd</sup> symbol.
4. Close with a statement about your goal(s) for the year.
