Reminders:

- Please e-mail me immediately if the date I have chosen for my visit to your school is problematic. I will reschedule my visit if absolutely necessary. As you can see from the table above, there is very little “wobble room” available.
- I have scheduled my first round of visits almost exclusively on Mondays and Wednesdays with a few visits on Tuesdays and Thursdays. If your visit is scheduled on a curriculum day, please plan an AVID curriculum lesson on that day; tutorial days are, of course for AVID tutorials.
- Please check the information in the table above; make sure it is the correct information for your AVID elective classes.
- I obviously cannot visit all AVID elective classes at many schools during this first round of visits. I will complete my first round of visits with a second “wave” of visits to the classes I am not able to visit during the first “wave” of visits.

Thank you very much for your hard work and dedication!
