

AVID Curriculum Cues from Kathy Josephson

Tutorial Support Curriculum Resource Guide (TSCRG) “Expectations” Activity 1.5.1, pages 16-19

Purpose: *To identify and compare the expectations of the AVID teacher, tutor, and student before, during, and after tutorials in the form of a Venn diagram*

While using a collaborative grouping strategy like jigsaw or home/expert groups, the students identify the expectations of every member of the AVID tutorial culminating in a Venn diagram graphically illustrating what they learned.

Mathematics Write Path “Organize!, Organize!, Organize!” Varies due to the edition you have.

Purpose: *To provide practice for organizing information into distinct categories.*

This section provides the math teacher of any level three graphic organizers to assist students in retaining and accessing information.
