

AVID Curriculum Cues from Kathy Josephson

Tutorial Support Curriculum Resource Guide

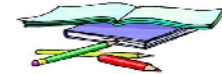

Pacing Chart, pages xvii - xxiv

Purpose: *To use as evidence to show which lessons are completed and place into the Certification folder for Essential 8.2 to document the 16 hours of training*

The tutor trainer or elective teacher may use this chart to document the training of all tutors. All junior high, high school, college tutors, adult tutors, and even AVID students used as stop-gap tutors must show evidence of 16 hours of training this school year or previous school years.

Write Path, English Language Learner

Paper Bag Speech, pages 20-23

This is a fun activity to use with students after a rigorous writing assignment or project. Students choose three values in their lives and select a symbol for each one, something that can fit into a paper bag. Students write an essay about their symbols and present them to the class. Some teachers have included items on the outside of the bag like words to describe the student and leader(s) the student admires. This activity is easily adapted to various content areas.
