CLASS NOTES

Topic:

____

Type: (circle)

Lecture, Lesson, Text, Discussion

Step 2: Questions, Cues

Write 3-5 questions that you have, using Costa's Level 2 & 3 questions. Use cue words that help you remember what is in the notes. Then, with a partner or small group, read your questions to one another and discuss the answers, adding to your notes if needed.

Step 1: Take Notes **Use phrases, bullets, symbols**, not complete sentences.

Step 3: Summary/Self-Test: After reviewing your notes with a partner or small group, write everything you now know about the subject WITHOUT looking at your notes. Once you have finished, review your notes again, and add anything you missed, highlighting where that information is found in your notes. Write in paragraph form or use bullets. DO NOT use "I" statements such as, "I learned that…", **just state the facts**.
