This year at Sunset, we have a block schedule that is similar to Arvin High's. We have white days with periods 1, 3, 5, and 7 and gold days with periods 2, 4, 6, and 8. Each period is 86 minutes long. Miss Rivera is teaching two sections of AVID during the regular school day. We won't be doing AVID after school like previously mentioned.

We will have to work closely when scheduling visits because we do have several schedules.
