

January 5, 2010

To: Prospective Science Fair Judges  
From: Kathy Hill, Coordinator  
Subject: 2010 Kern County Regional Science Fair

This year's Kern County Regional Science Fair will be held on **Tuesday, March 23, 2010** at the Rabobank Convention Center, 1001 Truxtun Avenue, Bakersfield. Last year over 700 students from grades 4-12 participated at the county level.

I would like to invite you to serve as a science fair judge. Your commitment to the students in our county can help ensure that they will have a memorable experience; participation in a county science fair often encourages students to pursue higher levels of science in their future educational endeavors.

Science fair judges serve on panels and are needed from 8:15 a.m. to approximately 1:00 p.m. A continental breakfast and lunch will be provided. A brief orientation will take place before the actual judging begins. To apply, please fill out the judge information form which is attached, or is available on line at: <http://ci.kern.org/sciencefoundation>. You can also help by recruiting friends and colleagues.

Thank you in advance for your consideration. If you have any questions, please contact me at 661-636-4640 or e-mail [kahill@kern.org](mailto:kahill@kern.org).
