

Educational Leaders,

Region XI is fortunate to host one of three ACSA Curriculum Symposiums. It will be held in Visalia on Monday, October 5th. The registration flyer has been attached. In these very difficult budget times, travel to conferences has been either eliminated or greatly reduced. ACSA has responded by providing low-cost, quality, regional events such as this Curriculum Symposium. You are all encouraged to consider attending or forwarding the information to a curriculum leader in your district.

Attendees of this symposium will receive an "Interwrite Mobi Pad" compliments of Digital Edge Learning. This is a \$300 value. ACSA member registration for the Symposium is ONLY \$145 and this, also includes a continental breakfast and a lunch. The day's agenda will include the following sessions:

➤ Opening and Keynote Address by Anthony Monreal, former Deputy Superintendent, CDE & current Superintendent, Oxnard ESD.

➤ Breakout sessions:

Keeping the Focus on Learning During Tough Budget Times

Closing the Achievement Gap featuring recent Distinguished Schools' "Signature Practices"

Successful Programs for English Learners

The day will end with a session from Digital Edge Learning, "*The effective Use of Mobi Pad/Clickers for Instruction and Assessment*". Each participant will leave the session with a free "Mobi Pad" (**limited to the first 100 registered participants**)

This is a great opportunity for educational leaders in Region XI. Please register, mark your calendars, and encourage others to attend.

Keeping the Main Thing, the Main Thing (The Main Thing = Student Learning)

The Association of California School Administrators Inaugural Curriculum, Instruction and Accountability Regional Symposiums

Join fellow curriculum, instruction, and accountability leaders in an opportunity to learn from and with recognized leaders on the topics that are most important to you and the students in your district. The "CIA" Symposium will include expert presentations as well as time to share with your colleagues on the topic(s) of your choice.

Participants will also experience the Mobi Pad/Clicker Response Device technology, learn best practices for its use, AND walk away with a Mobi Pad (value \$400).
