

Choose Respect

Respect: Give it - Get it

Choose Respect is a free program that aims to teach youth ages 11 to 14 to have respect for others and themselves through Rape Prevention education. Focusing on the use of social networks (i.e. MySpace, Facebook, Friendster) *Choose Respect* speaks to teens in their language about internet dangers and how to protect themselves in two one-hour sessions

Presentation Topics:

- What is Respect?
- Respecting Each Other
- Respect in a Relationship
- Healthy vs. Unhealthy Relationships
- Respecting the Internet - MySpace and Other Social Networks

To book your organization or community group for this free informative presentation please contact
