EVELYN YOUNG: KICK-OFF EVENT SPEAKER

Executive Assistant to the President
California State University, Bakersfield

Great Aunt to Tabasha Paige-Criado who was killed on July 18, 2011 along with her 4 children in Medford, Oregon

"Tabasha Paige-Criado, 30, and her four children, ages 2, 5, 6 and 7, were found stabbed in a burning Medford home. The sole suspect in the stabbing and arson is Jordan Criado, 51 -- father of the children and also a former Bakersfield resident."

J . Barrientos, The Bakersfield Californian, July 11, 2011

"To any woman who is being physically restricted, emotionally controlled or abused, or financially constrained to be controlled, this is abuse. Most importantly, if any woman reading these words feels unsafe or threatened, tell somebody -- a girlfriend, a relative, a pastor, a co-worker. Tabasha did not and it cost her life...We will not be silent or complacent about the domestic violence that took her life."
