Thanksgiving Donations

It's November, and Thanksgiving Dinner is important. Many of us have memories of gathering around the dinner table for the traditional Thanksgiving meal -- a time for family and gratitude.

Because of your support we can share Thanksgiving blessings to all our clients, especially our shelter clients and their children. We are asking from our community members to help us this year by donating during the holidays.

All items can be dropped off at our Outreach location, and of course all contributions to the Alliance are tax deductible.
