

California Association of School Transportation Officials

CASTO is proud to present to its membership

Career Path Training (CPT)

This training is designed to provide the knowledge and skills needed to advance your career in the pupil transportation industry. CASTO CPT offers four modules of training, each module consisting of four to eight units. Sessions are available at your local Chapter workshops and at our annual CASTO State Conference.

Instructor Training

Have you ever had the desire to advance into the training field? CASTO's CPT helps you learn the skills necessary to become a successful Instructor. This program prepares you for the California Department of Education Instructor Academy and gives you lifelong skills to move your career forward.

Dispatcher Training

Is it your goal to become your employer's next full time dispatcher? CASTO's CPT offers comprehensive units designed specifically for dispatchers. You must have these skills before taking the chair at the control center. Complete this Path to learn what it means to be the heart and soul of a transportation operation.

Vehicle Maintenance

CASTO's CPT Vehicle Maintenance program teaches more than mechanical services, it teaches strategies essential to fleet operations. Our instructors guide you through courses critical to becoming successful in today's vehicle repair industry.

Management/Leadership

Are you ready to move to the top of your operation? This most intensive of the Career Path strands demonstrates what is necessary to be an industry leader. Learn what it takes to manage operations, oversee support services and comply with state and federal requirements. Members wishing to enroll in this program must be ready for intense course work.

CASTO is the only organization in California that offers career training for the Pupil Transportation Industry. Certification is earned upon successful completion of a Path.

To learn more about the new CASTO Career Path Training program, contact your local Chapter President or any State Board member for assistance. Visit www.castoways.org/board for the chapter nearest you.

Career Path Classes are available to CASTO Members Only. New members can enroll online at www.castoways.org. Do not miss this great opportunity to expand your knowledge and advance your career.
