

What does **MATH** look like...

California
Mathematics
Council

...when it takes over your **WHOLE SCHOOL?**

Discover the CMC

MATHEMATICS FESTIVAL PROGRAMS ... and see for yourself!

A new way to **CELEBRATE MATHEMATICS** in your school

- A festival-like math experience for EVERY K~8th grade student
- CA Math Standards-based activities for ALL levels and abilities
- Emphasis on **CRITICAL** mathematics topics & key concepts
- **THREE** Festivals are available: Algebra, Geometry, & Number
- Positive, multi-level, hands-on, self-motivating, and **FUN!**
- Includes **CURRICULUM MATERIALS** for K~8 classrooms
- Optional Math Festival **TEACHER INSERVICE** workshops
- Coordinated **OUTREACH** for your families and community
- Evening & Saturday **FAMILY MATH FESTIVALS** available

We are now booking Math Festivals for 2008 through 2009
Go to <http://www.cmc-math.org/Festival> for more information,
or contact Paul Giganti, Math Festival Director, at pgiganti@berkeley.edu
