Apple Distinguished Educators

Top Classroom Issues

- ~ My desktop is always a mess, I have too many applications open.
- ~ I miss paper letters, the stationery, the pretty...
- ~ I'm busy and need a calendar, but retyping stuff is a drag.

Top Classroom Issues

- ~ I deleted my lesson plan book or other important file, now what?
- ~ I spend a lot of time trying to find the right version of my documents.
- ~ I need to let a student use my computer, but don't want him to see my grades.

Top Classroom Issues

- ~ I need to help another teacher with a project, but I can't leave my room.
- ~ I want my students to easily be able to share files with me and their classmates.
- ~ OK, this sharing thing's cool, but where's my downloads or documents?
- ~ My students are always changing things and doing things they shouldn't, when they shouldn't. Make them STOP!
