

January 17, 2006

TO: School District Administrators  
FROM: Division of Administration and Finance  
SUBJECT: Bid Limit for Year 2006

The new bid limit for school districts effective January 1, 2006 is \$65,100. This higher bid limit applies to the following:

1. The purchase of materials, equipment, and supplies.
2. Services, except construction services.
3. Repairs, including maintenance, as defined in PCC Code Section 20115.

**The \$15,000 threshold for construction contracts remains unchanged.**

This limit means any purchase that exceeds \$65,100 or any required construction labor cost that will exceed \$15,000 must go out to formal bid.

**For further information, please contact Steve Mattern, director, District Financial Services, at (661) 636-4691.**
