

45 Day Budget Revisions

This is a reminder of the provisions of Education Code Section 42127(i)(4) which states:

“Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by that Budget Act.”

For example, the 2005-06 budget was signed on July 11, 2005, so the final date is August 25, 2005, for budget revision.
