FCMAT was established by Assembly Bill 1200 in 1992 to provide fiscal crisis intervention and management assistance to local educational agencies in California.

Under the guidance of the FCMAT board and the administration of the Kern County Superintendent of Schools, FCMAT's role has expanded to include management of the California School Information Services (CSIS) project and sponsorship of numerous professional development opportunities in support of California's local educational agencies.

Multiyear financial projection software for K-12 school districts & county offices of education

User friendly

Web based

SACS compatible

FREE!

Creating multiyear financial projections has never been easier!

With *Budget Explorer*, the ability to create multiyear financial and enrollment projections on the Internet is a reality.

Budget Explorer, is – *are you ready?* – user-friendly, full-featured, secure, Web-based, SACS-compatible, GASB-aware, and **FREE!** Created by FCMAT, Budget Explorer operates on the Internet, making it possible to access, create, and edit projections anywhere there's a computer – from the lunch room to the board room.

Please take time to attend a training session. Budget Explorer User Guides will be available and FCMAT will present tips on how to use the new software. For more information, county offices of education may contact the FCMAT office at (661) 636-4611, or e-mail lwishart@fcmat.org. School districts, please contact your county office of education for Budget Explorer training schedule information.

Budget Explorer 2.0 will be available on the Web at www.budgetexplorer.org
