Charter School Fiscal Management

A six-hour workshop for charter school and oversight agency staff and administrators

Topics will include:

- Purpose and intent of charter schools
- Applicable laws, regulations and rules
- Charter school petitions and renewals
- Effective financial management through budgets, cash flow projections, and multiyear projections
- Financial reporting requirements and time lines
- Monitoring processes and procedures, including oversight responsibilities, MOUs, and audits
- Governance issues
- Facilities / Proposition 39
- Data management and key CALPADS concepts
- and more

Please mark your calendar and plan to attend this very informative workshop.

Additional information and registration materials will be provided shortly. If you are interested in attending, please send an email to charterworkshop@fcmat.org to receive additional information.
