

Greetings!

I hope you all enjoyed a wonderful holiday season and are ready for the final few months of the 4th Cohort of the CBO Mentor Project. Over the break we came up with a couple of other questions your participants are to discuss with you:

1. Tell them about a time in your career where you had a strong working relationship between HR and Business?
2. Discuss their Food Service presentation and their mid year evaluation (if it was done last time). They are to share their self-assessment and the feedback provided at their evaluation. They are also to seek your advice about how they can improve their public speaking skills.
