

With a forward by Buddy Alan Owens, and commentary by Robert Price, this exciting new publication makes the Kern County Museum's treasure trove of Bakersfield Sound photographs available to the public for the first time.

More than 80 photographs, accompanied by detailed descriptions and introductory text, present the history of this world famous musical genre that got its start in the southern San Joaquin Valley. This book is a must for any fan of the Bakersfield Sound, local history or our Dust Bowl roots.

Pre-ordered books will be available in the Kern County Museum General Store, or can be mailed for \$6.00 each.

We will call as soon as copies are available.
