**Lamplight
TOURS**

at the Kern County Museum

**Saturday, December 4, 2010
3:00pm-8:00pm**

Have you always wanted to dress up in an historical costume and talk about history? We are seeking enthusiastic people to help spread a little holiday cheer. Holiday Lamplight Tours Docents will be trained in sharing the history about a specific building, family, event, or activity. There will be an orientation and training for Holiday Lamplight Tours Docents on November 6, 2010 from 9:00am to 12:00pm.

We are in need of volunteers to:

- Share information about a specific building, family, event, or activity
- Stroll through grounds providing historical ambience
- Greet visitors
- Sell carriage ride tickets
- and more!

Shifts are from 3:00 to 5:30 and 5:30 to 8:00, but volunteers are welcome to work the entire evening if they so desire. Please fill out the enclosed Holiday Lamplight Tours application, and fax, mail, or drop it off at the museum.

It's the most magical time of the year, and we thank you for wanting to spend part of it at the Kern County Museum.

Thank you,
