Make a Lasting Impression

You can create a lasting legacy for a special person in your life, your company, or yourself with an engraved granite section in the new Donor Plaza adjacent to the Oil Exhibition at the Kern County Museum.

These engraved granite tributes will surround an early 20th Century Short Tail Wooden Pumping Unit from the 11C camp at Taft. These enduring tributes will be mounted at an angle for optimum viewing and longevity.

The Oil Exhibition and Donor Plaza will open in winter 2002. The Donor Plaza is the last piece to be installed to ensure no damage to the tributes during other construction.

Please fill in the attached form and enclose payment. Upon receipt we will send you a letter confirming your inscription.

To discuss these or other naming opportunities, please call (661) 852-5040
