Fax:	Target Audience description: (school, community, agency service area, geographic area, church)

The Kern County Department of Human Services (DHS) has provided funding to the Kern County Network for Children to purchase a large supply of materials for use by collaborative partners. Please identify the item needed; quantity and expected parent session start date.

Quantity Needed	Parent Project Items
NOTE:	Because of our limited supply, please order ONLY the approximate number of workbooks needed for your training.
	Parent Project Workbooks-Changing Destructive Adolescent Behavior-English
	Parent Project Workbooks-Changing Destructive Adolescent Behavior-Spanish
	Loving Solutions Workbooks - English
	Loving Solutions Workbooks – Spanish
	Parent Project Facilitator Kit (English) overheads, videos, timer
	Parent Project Facilitator Kit (Spanish) overheads, videos, timer
	Personal and Social Responsibility Kit (Teen Component) w/ copyright permission to reproduce student booklets
	Loving Solutions Facilitator Binder (for Parents/Guardians with younger Children ages 5-10)
Expected Start date for Parent Project sessions; list type(s) of Parent Project session to be offered: Parent Project; Loving Solutions, Teen Component	
Parent Project contact person, phone number and location of PP sessions for listing in online parent referral brochure at www.kernstayinschool.org	

Some Parent Project Facilitator Kits will be assigned to various collaborative agencies, and others will be available for checkout for an 8-12 week period to maximize use by community partners. Parent Project Facilitator Kits include a complete Parent Project curriculum, overheads, videos, and other resources for facilitating parent sessions (group role table top labels, timer, overhead pens).
