

November 3, 2009

Dear Community Partner:

On behalf of the Leaders In Life Fund Development Committee, I am writing this letter to request a donation for the 11th Annual **Leaders In Life Youth Conference** on March 2nd 2010. It is a conference for youth planned by youth designed to help high school and middle school-aged students overcome academic and personal issues by “inspiring and encouraging” them through leadership training. Last year, over 1,200 youth attended this conference throughout six counties and the youth committee has started planning for another great event. For more information, go to www.leadersinlife.org

Combining nationally recognized speakers and interactive break-out sessions, and a Resource Fair with booths on colleges, job skills training information, community service ideas and resources for teens, the conference allows youth to address issues faced by teens. The purpose of Leaders in Life is to allow students voices to be heard in shaping their schools and communities. Breakout sessions will cover a variety of topics from student leadership and advocacy, to teen pregnancy and drug use, to applying for college. The sponsorships are outlined below for your review.

Platinum Level \$2,500 or above – business name highlighted on thank you poster, recognition at the event, a full page in our program, logo placed prominently on event t-shirts, and highlighted on the Leaders In Life Web site, a FREE Resource Fair booth to share information with our teens about your organization.

Gold Level at \$1,000 or above – business name highlighted on thank you poster, recognition at the event, logo placed prominently on event t-shirts, a half page in our program, and highlighted on the Leaders In Life Web site

Silver Level at \$500 or above- business name will be highlighted on the thank you poster board, quarter of a page in our program and highlighted on the Leaders In Life Web site.

Bronze Level at \$100 or above- business name will be highlighted on the thank you poster board, in our program and highlighted on the Leaders In Life Web site.

We appreciate your support. If you have any questions, you can reach Sarah Baron, KCSOS Grant Development Director at (661) 636-4371 or email at sabaron@kern.org or Lauren Barrera, Leaders In Life Youth Executive Member, at Lauren.barrera@casc.net. You will be receiving a follow up phone call or email from one of our Leaders In Life Fund Development Committee members. Checks should be made out to the Kern County Superintendent of Schools Educational Services Fund (Tax Id #77-0383293). A return envelope is provided for your convenience.

Sincerely,

Sarah Baron
Fund Development Adult Chair
