In preparation for the workshop:

- 1. Visit the California Project WILD website, www.dfg.ca.gov/coned/projectwild**
 Click on “Facilitator Resources” then “power point presentation”
 Review the WILD Program Presentation
 Explore the CA. DFG website- education areas and wildlife information
 Use the link to check out the National WILD website
 Answer and be prepared to share, at the workshop, the following questions:
 What two features of the website did you find valuable?
 How will these help you in the future as an environmental educator?
 What suggestions do you have for “helpful educational features” to be added to the California website?

2. Provide us with the following information (return address below):

How did you hear about Project WILD?

What other EE programs and materials do you use?

How will you use the WILD (i.e. classroom teacher, youth organization leader, nature center educator, community volunteer)?
