

Project Tomorrow

## 3<sup>RD</sup> ANNUAL PROJECT TOMORROW INNOVATION IN EDUCATION SUMMIT

FRIDAY, OCTOBER 24, 2008 • 9 A.M. TO 3 P.M.  
TIGER WOODS LEARNING CENTER, ANAHEIM

INDIVIDUAL REGISTRATION IS \$75 FOR BREAKFAST, LUNCH  
AND ALL MATERIALS  
COMPANY/ORGANIZATION GROUPS OF 5: \$300  
REGISTRATION FEE

Join business, community, education, policy, parent and student leaders to discuss the challenge of preparing OC students for the global economy and to craft a new regional plan for greater economic competitiveness by improving K-12 science, math and technology education in our country's schools.

### Featured Speakers

#### Lance Dublin

Lance is an independent management consultant, international speaker and author based in San Francisco, California, serving clients world-wide. He specializes in strategy development, program design, and implementation for corporate learning programs and organizational change management.

#### Dr. Wallace Walrod

Wallace is the Founding President of the Center for a New Orange County, as well as the Vice President of research and communications at the Orange County Business Council. His work has included designing innovative program, strategy, and policy solutions for private industry, government, and foundations, including the *Orange County Community Indicators* and *Workforce Assessment* projects.

### Who Should Attend

- Business Leaders – CEOs, CFOs, CIOs, HR Directors, Engineering Managers
- Educators, Parents, and Students
- Community Leaders
- Political and Government Leaders
- Non-profit and Foundation Executives

### Breakout session topics:

- Increasing rigor in science and math
- Career awareness & technical education
- Developing 21<sup>st</sup> century job skills
- Financial literacy skills
- Innovation through emerging technologies

*Have a voice in the future! All participants will leave the Summit with 5-10 new actionable ideas for improving Orange County schools today.*
