

NOTICE

Note: This notice may be included in the annual notice packet pursuant to Education Code 48900 or may be mailed under separate cover. This notice must be sent to all parents and staff.

The district has implemented an integrated pest management (IPM) program designed to effectively control pests using a combination of techniques. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment may be used according to established regulations and treatment thresholds.

Pursuant to the Healthy Schools Act of 2000, the district is required to notify staff, parents, or guardians of the name of all pesticide products expected to be applied at the school facility during the upcoming year. Those products are as follows:

Product Name

Active Ingredient

- A.
- B. (or set up as an attached list)
- C.
- Etc.

If you wish to receive notification of individual pesticide applications at the school facility, please complete the attached registration form. You will receive notification at least 72 hours prior to the application.

Information regarding pesticide information may be obtained at the following web site:
