DRIVER INSTRUCTIONS:

When using your vehicle to transport students on field trips or other school activity trips, please:

1. Be sure that you have registered with the District for such purposes and have a valid driver's license and current liability insurance at or above the minimum amount required by law for each occurrence (as noted above under liability limits).
2. Check the safety of your vehicle: tires, brakes, lights, horn, suspension, etc.
3. Carry only the number of passengers for which your vehicle was designed. If you have a truck or pickup, carry only as many as can safely sit in the passenger compartment. Require each passenger to use a seat belt. In case of emergency, keep all the students together.
