**CA Speech-Language Pathology and  
Audiology Board:**

This program meets the qualifications for 2 hours of continuing professional development credit for Speech-Language Pathologists as required by the California Speech and Language Pathology and Audiology Board. **PDP# 95**

Many districts are implementing Response to Intervention systems as a way to provide early intervening services to students in General Education. Speech and Language Pathologists can participate in meaningful ways at all levels of RtI. This 2-hour presentation will review several models of RtI and discuss the SLP’s participation at the earliest level. Activities and resources will be shared.
