Your son or daughter has been referred for consideration of the Kern Early Start Services. Within the next 45 calendar days you will be contacted by a representative of the school district or Kern Regional Center to discuss the referral, the evaluation and assessment process and the Individualized Family Service Plan (IFSP) will be developed with you.

The Kern Early Start Services that your child may need to receive could be participation in the Infant Development Program, speech therapy services, Kern Regional Center services, parent/family support, special equipment or other services identified during the evaluation and assessment. Services are provided to the child and family at no cost. No assessment, placement or services will be provided without your participation in the process and your written permission.

A brief review of the Parents' Rights is on the reverse of this letter for your information. A comprehensive review of Parents' Rights will be given to you when we meet with you to review the assessment results. Also enclosed is a H.E.A.R.T.S. Family Resource Center information brochure.
