Regional Staff Development Events

The ABC's of ABA

This workshop will provide an overview of Applied Behavior Analysis including terminology, the ABA paradigm, and some educational approaches and applications of ABA in the classroom.

The workshop will be offered in Bakersfield and in four regions of Kern County. This allows staff to attend a presentation in an after-school, "close to home" format, minimizing travel and the need for substitute teachers, without missing an entire school day. The session will be from 1:30 p.m. to 3:30 p.m.

Target Audience: Special education teachers, school psychologists, Administrators, related services providers

Presenter: Karlyn Farber, BCBA
SELPA Program Specialist
